You can also access local gym memberships at a discount, across the county.

Rewarding you in the future

NYC employees are contractually enrolled into the Local Government Pension Scheme (LGPS)*, one of the few remaining defined-benefit pension schemes in the UK. There are many benefits to the LGPS, which include:

- » **Dependents benefits payable if you die so your pension does not die with you; and**

There is also the opportunity to boost retirement savings through the Shared Cost Additional Voluntary Contributions (AVC) scheme. It is a shared cost arrangement, meaning both you and NYC contribute into your AVC fund, through a salary sacrifice agreement. The amount you contribute is up to you.

**There are a small number of posts on NJC Terms and Conditions where postholders contribute into the Teachers Pensions Scheme. If your employment falls into this area, you will be advised as such by your manager. Further information relating to the Teachers Pensions Scheme can be found via the website – www.teacherspensions.co.uk*
